Notes: Mapbook 155**Reviewed Maps and Lefts & Rights for Accuracy (No routing changes):**

Route 12: Route will start/end at Palmetto/Shell in front of Ingrid B. Lacey Middle School.

Route 110: New bay assignment at Daly City BART. Route 110 will now stop at Bay 5, former SF State Shuttle bay just past the stairway to overpass.

Revised Transit Center Maps:

Daly City BART: New Bay 5 (Bus Stop ID 332022) located at former SF State Shuttle bay just past stairway to overpass.

Millbrae Transit Center: New bus bay numbers from MTC Regional Mapping & Wayfinding.

New or Revised Routing:

Route 30: Hoffman Street loop (The Franciscan Mobile Home Park) will be removed. Bus will turn onto East Market from Hillside to serve Pollicita Middle School and Kennedy Elementary.

Routes 50 and 250: New routing in the Los Prados neighborhood of San Mateo. Rather than turning onto Casa de Campo, buses will stay on La Selva onto Los Prados back to Norfolk.

Routes 53, 53P, and 58: Bus stops moved from front of Borel Middle School (Barneson/Rhus) to the back of school (Borel/Edinburgh).

Route CSM: Route will travel via El Camino rather than Alameda de las Pulgas to reach Highway 92 to/from CSM.

Route EPX: Route will travel via Bay and Willow to 101 North to Whipple Ave. in Redwood City rather than via Chilco to Bayfront Expressway.

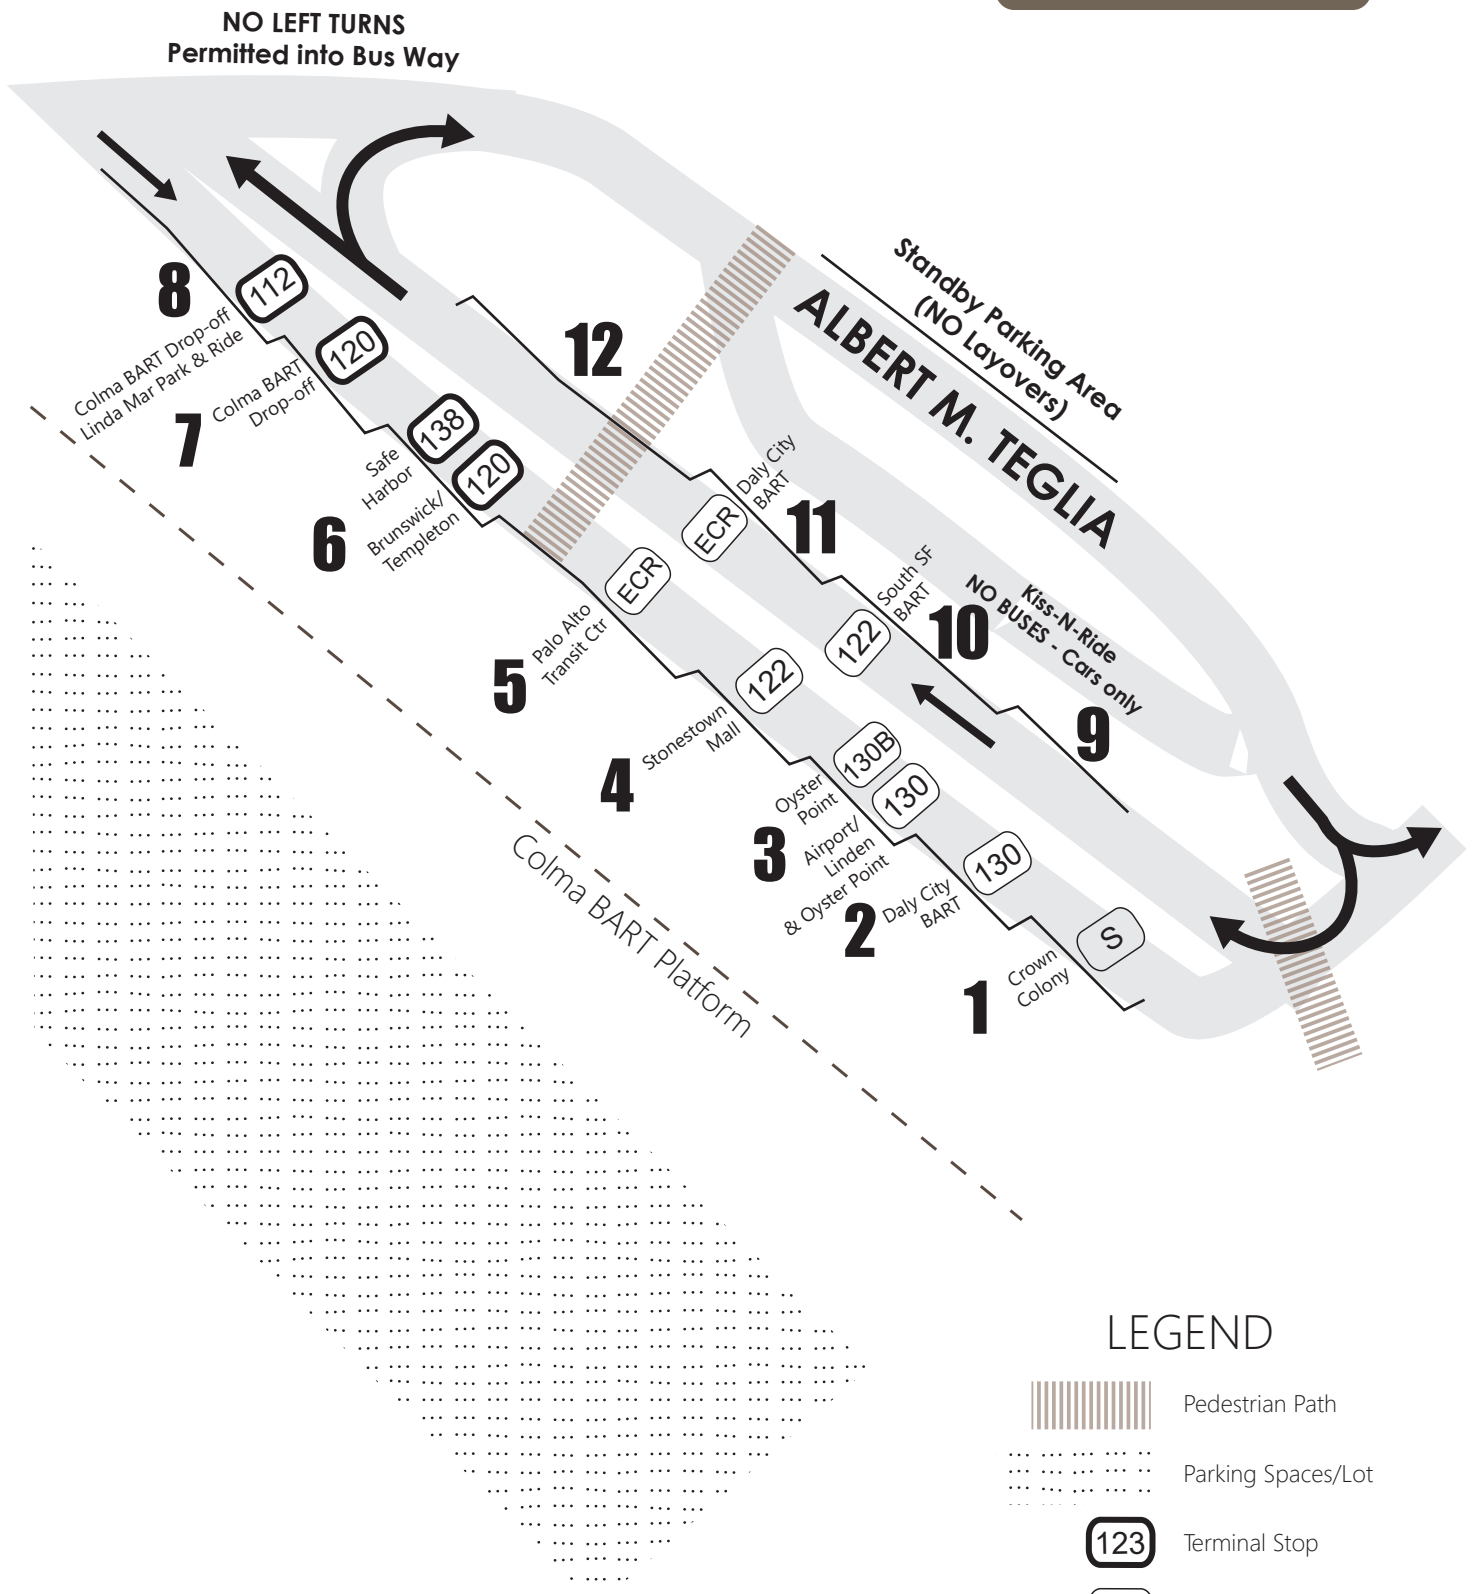

Other:

Route 81: New (temporary) alignment via Clarke to West Bayshore due to construction along Woodland (see pages 86 & 87).
